Coronavirus Prayer

Good and loving God, you are the source of life and health. Thank you for this great gift. We ask that you would bring healing to all who are infected with the Coronavirus and would stop its spread.

We praise you for the courageous health workers who are at the front lines battling this virus. Keep them safe and strengthen them as they provide your loving hands and work to bring your healing to all those who are infected. Guide all who are researching to find vaccines and other weapons to combat this virus.

We ask all this through Our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God forever and ever. Amen.
