Coronavirus Prayer:

Good and loving God, you are the source of life and health. Thank you for this great gift. We ask that you would bring healing to all who are infected with the Coronavirus and would stop its spread.

We praise you for the courageous health workers who are at the front lines battling this virus. Keep them safe and strengthen them as they provide your loving hands and work to bring your healing to all those who are infected. Guide all who are researching to find vaccines and other weapons to combat this virus.

Virtuous Life:

We pray for a habitual and firm disposition to do good through a Virtuous Life, not for our sake, but for God and Others. May the action of our every thought be for God's Glory, guided by our relationship with God and His Grace working through us in the Virtues of **Faith, Hope, Charity**. We pray that the virtues of **Prudence, Justice, Fortitude**, and **Temperance** govern our acts, order our passions, and guide our conduct in accordance with reason and faith.
